WHAT CAN EPIC DO?

Our geospatial services team play a key role in many of Epic Environmental's major projects.

If you require geospatial solutions for your business, Epic's team of geospatial experts can help. Our team utilises the latest technology to provide you with the most up-to-date and reliable information. Whether you need to track assets, plan infrastructure, or conduct environmental impact assessments, we have the tools and knowledge to get the job done.

OUR SERVICES INCLUDE

- GIS mapping and data analysis
- Mobile and web GIS solutions
- 3D modelling and visualisation
- Multi criteria analysis
- Location-based data management
- Remote sensing
- Satellite, aerial and drone imagery
